Vision Statement

Theale C of E Primary School, with the help of all outside agencies, will provide the best education that a child can receive.

The staff and school will be effective and enable children to reach the highest standards possible. The school will develop a child's knowledge, experience and imaginative understanding and to create an awareness of moral values and capacity for enjoyment.

Every child will be regarded and valued as an individual person with academic potential, needs, problems and aspirations; a person who can make a distinct contribution to the life of the school.

The school will provide an exciting and stimulating learning environment where the children will be able to learn, create and experience and where their efforts are celebrated by being displayed.

The school will be well organised, efficient and well resourced. The children and all staff will strive for the highest possible standards of achievement.

Parents, pupils and staff will create an atmosphere in which the children will accept responsibility for their behaviour and their work.

Children will be encouraged to have understanding, sympathy and tolerance for cultures and societies other than their own.

A good rapport between pupil, teacher and parents is the corner stone for security and success for each and every child. The years that the children spend in this school are formative years, when they discover themselves, their individuality, their abilities, their interests and their strengths. A child's talents may display themselves in many ways. We must provide a vehicle for these talents to be nurtured, encouraged, developed and praised.

Catherine Morley

Section 1: Outdoor Learning & Short Visits to the local area

Throughout the School Year the children have Outdoor Learning sessions, which are an inspirational concept providing learning opportunities through practical activities in an outdoor environment. Children enjoy the freedom to explore and experience the natural world in all seasons and in all weathers. Outdoor Learning embraces an approach of nurturing, supporting and developing the self-esteem of participants. It is an ideal environment in which to develop innovation, problem solving, risk taking, creativity and teamwork.

We often take the children out on local visits in connection with work in the school, to visit Holy Trinity Church. Local, in this case, means in or around Theale. These trips will not require transportation and may include Englefield Estates, Theale High Street, The Gateway Library and Theale Green Community School.

On those occasions when visits involve any kind of cost and voluntary contribution, you will receive a letter with details and consent form as usual.

I give permission for my child to take part in all such visits as outlined above, and I understand that those supervising my child are in loco parentis and must exercise a standard of care that would be expected of a reasonably prudent parent.

Signed: (Parent's signature)

Section 2: Pupil Internet Access

As part of pupils' curriculum enhancement and the development of ICT skills, Theale C of E Primary School is providing supervised access to the Internet.

Pupils will be able to exchange electronic mail with partner schools and research information from museums, libraries, news providers and suitable websites as part of their programme of learning.

We teach children to use the Internet responsibly and take every precaution to ensure children have controlled access and do not access inappropriate materials. We have purchased our Internet Access from an educational supplier that operates a filtering system that restricts access to inappropriate materials. All our screens are in public view and, as stated above, access will be supervised.

Should you wish to discuss any aspect of Internet use please contact the School to arrange an appointment.

Rules of Internet Use

- I will only access the system with my own login and password, which I will keep secret.
- I will not access other people's files.
- I will use the computers for school work and homework.
- I will not bring in memory sticks/CDs/DVDS from outside school unless I have been given permission.
- I will ask permission from a member of staff before using the Internet.

Pupil's Agreement

I agree to follow the rules set out as above for Responsible Internet Use.

Signed: (Child's signature). *Juniors only need sign*

Parent Permission

I give permission for my child to have Internet access on the terms set out above.

Signed: (Parent's signature).
